- **Venue-: Amrai Garden Sangli**
- **Organiser-: Department of Public Health Dentistry**
- **Faculty In-charge -: Dr. Priyanka Paul**
- **Nature of Activity-: Outdoor (Awareness Activity)**
- **Number of Participants-: 10**

“World Forestry Day” or **“International Day of Forest”** is celebrated worldwide every year on **21st of March** at the international level in order to ring a bell among the society about the importance of forests and the scores of benefits which are gained from them. In 2025, the theme for International Day of Forest was **‘Forest and Food.’** The theme emphasizes the deep connection between forests and global food security, and its crucial role in nutrition and livelihoods.

On this occasion of, World Forestry Day tree plantation was conducted at Amrai Garden, Sangli which was coordinated by Department of Public Health Dentistry’s 5 interns and 1 Assistant Professor (Dr. Priyanka Paul). Tree Plantation was done by Mr.Shrey Shah, Final year BDS First Ranker. Along with Tree Planation, a skit play was performed on topic “Awareness regarding Forests” by the Second Year Students. Importance of World Forestry Day and impact of Forest on human health was highlighted. The program was attended by the Local visitors.

The program was concluded with Dental Screening and treatment of the local visitors.
