- Number of Participants —: 57

On occasion of Prosthodontist Day, Department of Prosthodontics and Crown & Bridge, Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli organized a National Continuing Dental Education (CDE) Program on the topic "Rehabilitation of Atrophic Maxilla with Zygomatic Implants." The event was graced by Dr. H. M. kadam, Regional Director, Bharati Vidyapeeth (Deemed to be University) Sangli, Dr. Sharad Kamat, Principal, Dr. Jiwanasha Agrawal Maam, Vice Principal, Bharati Vidyapeeth (Deemed to be University) Dental College & Hospital, Sangli. The programme featured a lecture, live demonstration and hands on by the esteemed guest speaker, Dr. Amol Thorat.

The program commenced on January 25, 2024, and attracted a diverse audience of dental professionals, academicians, and students. Dr. Dnyaneshwari welcomed the audience, Dr. Raghavendra Adaki sir introduced the speaker and addressed the gathering. The objective was to enhance knowledge and skills related to the complex and evolving field of maxillary rehabilitation using zygomatic implants. Dr. Amol Thorat, a renowned expert in implantology, shared comprehensive insights into the latest advancements, techniques, and case studies related to atrophic maxillary rehabilitation. The highlight of the program was the live demonstration conducted by Dr. Amol Thorat, where attendees had the unique opportunity to witness the application of theoretical concepts in a real-time surgical setting.

This interactive session allowed participants to engage with the speaker, ask questions, and gain practical insights into the intricacies of zygomatic implant placement. The event fostered a collaborative learning environment, encouraging the exchange of ideas and experiences among participants.

The Q&A session following the lecture, live demo and Hands on facilitated a dynamic discussion, further enriching the educational experience. Participants left the program equipped with a deeper understanding of atrophic maxillary rehabilitation with zygomatic implants, enabling them to apply the acquired knowledge in their clinical practices. The success of this CDE program underscores the university's dedication to providing high-quality continuing education opportunities for dental professionals, contributing to the overall advancement of the field.

The workshop was successfully organized by the faculty members of Department of Prosthodontics Dr. Raghavendra Adaki, Dr. Dayanand Huddar, Dr. Banashree Sankeshwari, Dr. Deepti Fulari, Dr. Rohit Dhole, Dr. Mokshada Badadare, Dr. Aditi Kanitkar, Dr. Pratiksha Sahare and Dr. Priyanka Jadhav. Dr. Pratiksha Sahare proposed the vote of thanks.
